SAFARI AND BEACH- ESCAPE FROM WINTER SPECIAL

☀ Private Reserve ☀ Cape Town ☀

MONDAY

Private Reserve

Fly to Hoedspruit and transfer to the Sabi Sands Private Game Reserve which is part of the greater Kruger Park and combines the huge wildlife diversity of the Kruger with off-road access and tracking, making for some of the best animal sightings on the continent

Enjoy a late afternoon safari in the Park before returning to the Camp for a delicious meal under African skies.

TUESDAY

Private Reserve

Enjoy another early morning and late afternoon on safari. The beauty of nature is that every game drive is different - nothing is guaranteed, and surprises come at any time. Search for the 147 different mammal species including the Super 7 (lion, leopard, rhino, buffalo, elephant, cheetah and wild dog) and over 400 bird species.

During the rest time between breakfast and lunch that is common in all game lodges, you can choose to enjoy a nature walk accompanied by an armed ranger, or relax at the pool, enjoy a spa treatment, or simply soak in the beauty and luxury of the Camp.

WEDNESDAY

Private Reserve

Enjoy another full day of safari activities and relaxation at the luxury Private Game Lodge.

Once again, every safari is unique- One drive, elephant are common, the next time, they can hardly be seen. The leopard is highly elusive but with the lodge's trained trackers, sightings here are a strong possibility.!
